ABOUT YOURSELF

Profile & tasks

WHAT DO YOU BRING

- A completed education in interior architecture, spatial design or a related field
- Several years of professional experience in planning and selling high-end interior solutions
- The ability to remain composed, structured, and solution-oriented even in complex or demanding project phases
- Solid knowledge of SketchUp and MS Office
- A structured and independent working style with a strong focus on quality and detail
- An entrepreneurial mindset, a high sense of responsibility, and enthusiasm for premium interior solutions
- The ability to communicate and develop design ideas, including hand sketches

YOUR AREAS OF RESPONSIBILITY

- You personally support clients from the initial consultation through to project completion
- You develop tailored interior design concepts with high aesthetic standards
- You advise on bespoke furnishing solutions
- You coordinate internal and external project stakeholders
- You manage interior projects independently, including billing
- You take responsibility for after-sales support
- You contribute to the design and ongoing development of our showrooms
- You maintain and update sales and presentation documentation
